Seasonal Changes

Year group	Knowledge	Skills	Unit
1	<p>There are four seasons: spring, summer, autumn and winter. Certain events and weather patterns happen in different seasons.</p> <p>Day length (the number of daylight hours) is longer in the summer months and shorter in the winter months.</p> <p>Different types of weather include sunshine, rain, hail, wind, snow, fog, lightning, storm and cloud. The weather can change daily and some weather types are more common in certain seasons, such as snow in winter.</p>	<p>Observe changes across the four seasons.</p> <p>Observe and describe how day length changes across the year.</p> <p>Observe and describe different types of weather.</p>	Seasonal Changes
