

French Programme of Study

The Foreign Language curriculum has been recently introduced and therefore the programme of study has been modified to enable children to progress through the intended skills and knowledge over time. This will enable children to embed learning in their long-term memory and build strong foundations of confidence in languages.

The modified programmes of study are as follows

2022/23 academic year

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Autumn 1	Greetings	Fruits	Phonics 1 I am learning Greetings Numbers and colours Phonics 2 Animals	Phonics 1 I am learning Greetings Numbers and colours Phonics 2 Animals	Phonics 1 I am learning Greetings Numbers and colours Phonics 2 Animals	Phonics 1 I am learning Greetings Numbers and colours Phonics 2 Animals
